**Please Note**

We will not tolerate noisy, unruly or abusive behaviour.

The speed limit on site is 5 miles per hour.

Dogs must be kept on a lead at all times whilst on site, except in the exercise area.

Only one vehicle is permitted on each pitch, additional vehicles must be parked in designated parking areas.

**Pitching Instructions**

For your own safety you must follow the pitching instructions as set out in the diagrams on the right.

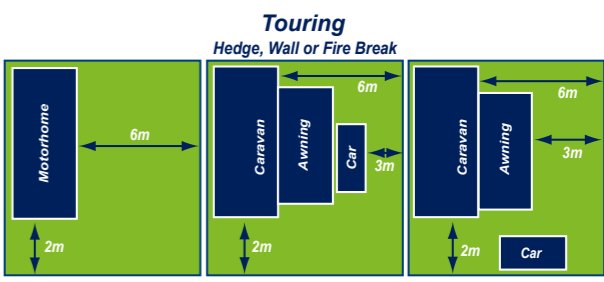

The indicated distances (in metres) represent the minimum separation between adjacent units. The 3 metre space must be kept clear and unobstructed.

If you have any difficulties adhering to the minimum distances you must consult a site warden or report to reception before setting up.

In the interest of safety and compliance with the above separations, Hendra reserves the right to move any party to an alternative pitch. In the unlikelyhood that a party cannot be safely accommodated Hendra reserves the right to cancel the booking.

Thank you for your cooperation.
